E d u c a t i o n , A d v a n c e d t r a i n i n g , c e r t i f i c a t i o n s a n d d e g r e e s

Certified Fear Free Elite Practitioner- Level 3 – 2016- present
Diplomate American College of Veterinary Dermatology – 2001- present
Dermatology resident – May 1997 – Sept 2000 - MSU
Dermatology externship/clerkship-1987- 1997 - MSU
Diplomate ABVP- Canine and Feline Specialty- 1984, recertified 1992, 2002, 2012
DVM with high honors- 1976- MSU
B.S. with high honors- 1974- MSU

P r e s e n t d u t i e s a n d r e s p o n s i b i l i t i e s

Staff dermatologist and owner – Allergy, Skin and Ear Clinic for Pets, Livonia, MI- 1987- present
Clinical Instructor Department of Veterinary Clinical Sciences in the College of Veterinary Medicine, Ohio State University- August 2013 and January 2014
Assistant Adjunct Professor, Dept of Dermatology, Small Animal Clinical Sciences, MSU- 1996-present

P r o f e s s i o n a l m e m b e r s h i p s

Diplomate, American College of Veterinary Dermatology – 2001
Diplomate, ABVP- Canine and Feline Specialty- 1984, recertified 1992, recertified 2002, recertified 2012
AAVD- 1988 – present
AAHA Hospital Director - 1984- present
AVMA- 1976 - present
Southeastern Michigan Veterinary Medical Association- 1976 - 2010
Michigan Veterinary Medical Association- 1976 - present
Phi Zeta honorary fraternity - 1976
Phi Eta Sigma honorary society - 1976

P r o f e s s i o n a l a c t i v i t i e s

Peer reviewer- *Clinicians Brief*- 2019- present
Peer reviewer- *Journal of the Veterinary Pharmacology and Therapeutics*-2019- present
Peer reviewer - *Journal of Small Animal Practice*- April 2015- present
Peer reviewer- *American Journal of Veterinary Research*- Jan 2014- present
Peer reviewer- *Journal of the American Veterinary Medical Association* – Dec 2013- present
Peer reviewer- *Journal of Veterinary Emergency and Critical Care*- Dec 2013 - present
Program committee – ACVD annual meeting – 2010- present
Ask the expert board- *Veterinary Medicine*- 2010- present
Key opinion leader member- Novartis Animal Health – 2009- 2016
Advisory board member- *The Veterinary Journal*- Jan 08- December 2013
Peer reviewer *Veterinary Dermatology* - the official journal of the ACVD- Jan 2007- present
Peer reviewer - *The Veterinary Journal* – Jan 2006- present
Guest lecturer – 2nd year veterinary technicians –Wayne Community College – 2006- 2016
Case report reviewer- ABVP – 2005 - present
Education committee – ACVD- 2005- 2009
Guest lecturer – 2nd year veterinary technicians -Macomb Community College – 2002- 2016
Instructor – dermparmacology- 2nd year veterinary students- MSU- 2002- 2003

Assistant Adjunct Professor, Dept of Dermatology, Small Animal Clinical Sciences, MSU- 1996-present
President-Southeastern Michigan VMA –1987
Vice-president- Southeastern Michigan VMA - 1986
Council Member- Southeastern Michigan VMA- 1980 - 1989
Board of Advisors, Wayne County Community College Veterinary Technician program- 1980 - 1997
Chairman Southeastern Michigan VMA continuing education committee-1979 - 1998

H o n o r s a n d a w a r d s

CVM Distinguished Alumni Practitioner Award from the Michigan State University College of Veterinary Medicine.- 2019
Philanthropist of the year 2019- Michigan State University - College of Veterinary Medicine
Contributor of the Year - veterinary dermatology list serve - 2002
Outstanding contribution to clinical practice - Southeastern Michigan VMA – 1998
Outstanding contribution to clinical practice - Southeastern Michigan VMA – 1992
Phi Zeta honorary society of veterinary medicine - 1976
Phi Eta Sigma national honorary society - 1976

Professional presentations

- Montana Veterinary Medical Association winter meeting- January 24th-25th 2020- Bozeman, Montana
- Atopic dermatitis: The new paradigm and how it changes the way we treat it – 2 hrs
 - Otitis Externa–Quick, Easy And Successful Treatment In The Real World- 1 hrs
 - Proper Antibiotic Use In Small Animal Dermatology- What Should We Be Using - 1 hrs
 - Quick, easy, and profitable dermatologic tests for small animal practice- 1 hr
 - Malassezia dermatitis update – 30 minutes

Practice Pearls – Ignite webinar- November 7 and 14th 2019
 Quick, easy, and profitable dermatologic tests for small animal practice- 2 hrs

Chicagoland Veterinary Medical Association meeting- Oct 20th – Chicago, IL
 Otitis Externa–Quick, Easy And Successful Treatment In The Real World- 2 hrs

Veterinary Sportsman Society- Yakutat Alaska – August 11th -17th 2019
 Atopic dermatitis: The new paradigm and how it changes the way we treat it – 2 hrs
 Otitis Externa–Quick, Easy And Successful Treatment In The Real World- 1 hrs
 Proper Antibiotic Use In Small Animal Dermatology- What Should We Be Using - 1 hrs

New England Veterinary Medical Association meeting- Portland, Maine Sept 24, 2018-
 New drugs in veterinary dermatology—updates and debates – 1.5 hr
 Atopic dermatitis: The new paradigm and how it changes the way we treat it – 1.5 hrs
 Otitis Externa–Quick, Easy And Successful Treatment In The Real World- 1.5 hrs
 Resistant Bacteria Is Coming To Your Neighbor- MRSA, MRSP, MRSS- Alphabet Soup – Proper Antibiotic Use In Small Animal
 Dermatology- What Should We Be Using - 1.5 hrs

International Dermatology Course Madrid, Spain June 6-7th 2018
 Atopic Dermatitis – The New Paradigm And How It Changes The Way We Treat It- 2 hrs
 Resistant Bacteria Is Coming To Your Neighbor- MRSA, MRSP, MRSS- Alphabet Soup – Proper Antibiotic Use In Small Animal Dermatology- What Should We Be Using - 1 hrs
 Cutaneous Adverse Food Reactions In Dogs- 1 hr
 Simplified Diagnosis And Management Of Autoimmune Skin Diseases-Including Immunosuppressive Therapy- 1 hr
 Autoimmune skin diseases- 1 hr

Small Animal Endocrinology Clerkship = East Lansing, MI 4/10/18
 Dermatologic manifestation of endocrinopathies in the dog= 2 hrs

Twin Lakes Veterinary Conference- Kentucky Dam Village State Park- March 10, 2018
 New drugs in veterinary dermatology—updates and debates – 1 hr
 Quick, easy, and profitable dermatologic tests for small animal practice- 1 hr
 Atopic dermatitis: The new paradigm and how it changes the way we treat it – 2 hrs
 Cutaneous adverse food reactions in dogs: Diagnosis and treatment- 1 hr
 Otitis Externa–Quick, Easy And Successful Treatment In The Real World- 2 hrs

Midwest Veterinary Conference – Columbus OH 2/22/18-2/25/18
 Otitis Externa–Quick, Easy And Successful Treatment In The Real World–2 Hours
 Proper Antibiotic Use In Small Animal Dermatology: What Should We Be Using–2 Hours
 Atopic Dermatitis: The New Paradigm And How It Changes The Way We Treat It–2 Hours

Michigan Veterinary Conference – Lansing MI 1/25/18
 Resistant bacteria are coming to your neighborhood - MRSA, MRSP, MRSS: Proper antibiotic use in small animal dermatology—what should we be using? – 2 hrs

CVC San Diego – San Diego, CA 12/8-12/10/17
 New drugs in veterinary dermatology—updates and debates – 1 hr
 Resistant bacteria are coming to your neighborhood - MRSA, MRSP, MRSS: Proper antibiotic use in small animal dermatology—what should we be using? – 2 hrs
 Quick, easy, and profitable dermatologic tests for small animal practice- 1 hr
 Atopic dermatitis: The new paradigm and how it changes the way we treat it – 2 hrs
 Cutaneous adverse food reactions in dogs: Diagnosis and treatment- 1 hr
 Simplified diagnosis and management of autoimmune skin diseases—including discussion of immunosuppressive therapy- 1 hr
 What is new about canine demodicosis?- 1 hr
 Diagnosis And Management Of Otitis Externa In The Real World – 2 hrs

CVC Kansas City – Kansas City, MO 8/25-8/26/17
 New drugs in veterinary dermatology—updates and debates – 1 hr
 Resistant bacteria are coming to your neighborhood - MRSA, MRSP, MRSS: Proper antibiotic use in small animal dermatology—what should we be using? – 2 hrs
 Quick, easy, and profitable dermatologic tests for small animal practice- 1 hr
 Atopic dermatitis: The new paradigm and how it changes the way we treat it – 2 hrs
 Cutaneous adverse food reactions in dogs: Diagnosis and treatment- 1 hr

- Simplified diagnosis and management of autoimmune skin diseases—including discussion of immunosuppressive therapy- 1 hr
- What is new about canine demodicosis?- 1 hr
- Technician's role in the management of ear disease- 1 hr
- What would you do with this skin case- a real world presentation- 2 hrs
- CVC Virginia Beach – Virginia Beach, VA 5/18-5/19/17
 - New drugs in veterinary dermatology—updates and debates – 1 hr
 - Resistant bacteria are coming to your neighborhood - MRSA, MRSP, MRSS: Proper antibiotic use in small animal dermatology—what should we be using? – 2 hrs
 - Quick, easy, and profitable dermatologic tests for small animal practice- 1 hr
 - Atopic dermatitis: The new paradigm and how it changes the way we treat it – 2 hrs

Wild West Veterinary Conference – Reno, NV – Oct 11-12, 2013
What’s new in the diagnosis and management of canine atopic dermatitis - the new paradigm- 3 hrs
Diagnosis and management of otitis externa in the real world – 3 hrs
MRSA, MRSP, MRSS - what's it all mean? New information on the diagnosis and management of canine bacterial pyoderma- 3 hrs
Allergy testing – in vitro (serum) testing vs in vivo (intradermal testing) - 45 minutes
Steroids vs cyclosporine in the allergic dog- which should you use?- 45 minutes
Malassezia dermatitis in dogs - how to improve your diagnosis and management of these dogs - 45 minutes
Update on the treatment of canine demodicosis – 45 minutes
Washtenaw VMA- Ann Arbor, MI 9-24-2013-
What would you do? An interactive case presentation – 2 ½ hours
New Jersey VMA- Paramus, NJ - 9/17/2013
What would you do? An interactive case presentation – 2 ½ hours
Cincinnati VMA- Cincinnati OH – 6/23/13
What's New in the Diagnosis & Management of Canine Atopic Dermatitis - The New Paradigm 1 ½ hrs
Toledo VMA- Toledo, Ohio = 5/7/13
MRSA, MRSP, MRSS- Antibiotic Use In Small Animal Dermatology- What Should We Be Using
North American Veterinary Dermatology Forum – Louisville, KY- 4/14-4/17/13
Fatal protozoan pneumonia in a dog receiving cyclosporine- 15 minutes
Jackson VMA – Jackson MI 4-8-13
Otitis externa in the real world -1 hr
World Small Animal Veterinary Association/FASAVA Congress- Auckland, NZ – 3/7-3/9/13
Smelly dog- 1 hr
Pruritus in the cat- 1 hr
Otitis externa in the real world 1 hr
Antibiotic use in small animal – 1 hr
How I treat the pruritic dog – 20 minutes
Thumb VMA- Caro, MI - 2/21/13
What would you do – interactive dermatology cases- 2 hrs –
Iowa Veterinary Medical Association winter meeting - Altoona IA– 2-13-13
What's New in the Diagnosis & Management of Canine Atopic Dermatitis - The New Paradigm 1 ½ hrs
Diagnosis & Management of Canine Bacterial Pyoderma- 1 ½ hrs
Malassezia Dermatitis in Dogs- 45 minutes

Update on canine demodicosis – 45 minutes
 Diagnosis & Management of Otitis Externa in the Real World 1 ½ hrs
 Toledo VMA- Toledo, Ohio 2/4/13
 Diagnosis and management of otitis externa in the real world – 1 ½ hrs
 Washtenaw County Veterinary Medical Association- Ann Arbor, MI 11/17/12
 Diagnosis and management of otitis externa in the real world- 2 hr
 Michigan Veterinary Medical Association Small Animal Series –East Lansing, MI 10/11/12
 Diagnosis and management of otitis externa in the real world- 2 hr
 The use of corticosteroids vs cyclosporine in veterinary dermatology – 1 hr
In vitro (serum testing) vs *in vivo* (intradermal testing) testing in canine atopic dermatitis (CAD)- 1 hr
 Diagnosis and management of autoimmune skin diseases in cats and dogs – 1 hr
 Update on canine demodicosis – 1 hr
 Colorado State Veterinary Meeting – Fort Collins, CO, 10/5/12-10/7/12
 Diagnosis and management of canine pyoderma- 1 hr
 Diagnosis and management of otitis externa in the real world- 2 hr
 What's New in the Diagnosis and Management of Canine Atopic Dermatitis – The New Paradigm – 2 hr
 Toledo Veterinary Medical Association –Toledo, OH 9/11/12
 Diagnosis and management of otitis externa in the real world- 2 hr
 Russian Veterinary Medical Society Conference- Moscow Russia – 4/17/2012
 Diagnosis and management of autoimmune skin disease - 2 hours
 Diagnosis and management of vasculitis - 2 hours
 Diagnosis and management of the pruritic cat- 4 hours
 2nd year Macomb County Veterinary Technician students - Technician's role in dermatology – 2/12/2012- 3 hrs
 Ontario Veterinary Medical Association annual meeting- January 26th and 27 2012
 Diagnosis and management of canine pyoderma- 1 hr
 The proper use of antibiotics in veterinary dermatology – 1 hr
 What would you do? Interactive cases- 2 hrs
 Diagnosis and management of otitis externa in the real world- 1 hr
 Diagnosis and management of *Malassezia* dermatitis -1hr
 What's New in the Diagnosis and Management of Canine Atopic Dermatitis – The New Paradigm
 – 2 hrs
 NAVC – Orlando Florida= January 16th 2012
 What's New in the Diagnosis and Management of Canine Atopic Dermatitis- 1 hour
 Update on the diagnosis and management of *Malassezia* dermatitis – 15 minutes
 Tips on performing dermatologic tests for small animal practice – 15 minutes
 CVC west- San Diego, CA – October 25-27th 2011
 Diagnosis and management of canine pyoderma- 2 hrs
 Diagnosis and management of autoimmune skin disease -1hr
 What would you do? Interactive cases- 2 hrs
 Diagnosis and management of otitis externa in the real world- 2 hrs
 Diagnosis and management of *Malassezia* dermatitis -1hr
 Low Country Veterinary Meeting- Charleston, South Carolina October 20-21st 2011
 What's New in the Diagnosis and Management of Canine Atopic Dermatitis 2 hours
 Diagnosis and management of otitis externa in the real world- 2 hrs
 Dermatologic tests for small animal practice 1 hour
 CVC central- Kansas City, KS – August 27-29th 2011
 Dermatology for veterinary technicians – 1 hr
 Diagnosis and management of canine pyoderma- 2 hrs
 Diagnosis and management of otitis externa in the real world- 2 hrs
 Diagnosis and management of autoimmune skin disease -1hr
 Diagnosis and management of vasculitis -1hr
 Diagnosis and management of *Malassezia* dermatitis -1hr
 Diagnosis and management of non pruritic alopecia – 1hr
 New drugs in veterinary dermatology- 1 hr
 What's New - Updates from the 2010 and 2011 North American Veterinary Dermatology Forum- 1 hour
 Review of otitis externa- 1 ¼ hours

Ann Arbor Veterinary Association – Ann Arbor MI, 5/11/2011

What's new in the diagnosis and management of canine atopic dermatitis - the new paradigm – 1 ½ hrs

ABVP annual meeting – St Louis MO- 4/30/2011

Canine Interactive Round Table - 1 hour

New Ideas in Canine Pyoderma – 2 hours

Diagnosis and Management of the Pruritic Cat in the Real World – 1 hour

Immune Mediated Skin Disease in the Cat - 1 hour

Otitis Externa and Media in the Cat – 1 hour

Russian Veterinary Medical Society Conference- Moscow Russia – 4/17/2011

Diagnosis and management of canine bacterial pyoderma - 4 hours

Diagnosis and management of otitis externa in the real world - 2 hours

First Flight Veterinary Conference- Stranton VA 3/25- 3/27/2011

Diagnosis and management of the pruritic dog- 2 hour

Diagnosis and treatment of Malassezia dermatitis- 45 minutes

Dermatologic tests for small animal practice 1 hour

Diagnosis and management of canine bacterial pyoderma - 2 hours

Diagnosis and management of the pruritic cat – 1 hour

Diagnosis and management of otitis externa in the real world - 2 hours

Autoimmune skin diseases- 45 minutes

What would you do? 1 ½ hours

Diagnosis and management of non pruritic alopecia in the dog - 2 hour

Dermatologic tests for veterinary technicians 1 ½ hours

Dermatology for technicians – 1 ¼ hrs

Thumb Veterinary Association- 2/17/2011

Diagnosis and management of the pruritic dog- 2 hour

2nd year Macomb County Veterinary Technician students - Technician's role in dermatology – 2/17/2011- 3 hrs

Oakland County Veterinary Association – Royal Oak, MI 12/15/2010

Diagnosis and management of the pruritic dog- 2 hour

Shenandoah Valley Veterinary Conference, Stranton VA- 9/2/2010

Diagnosis and management of the pruritic dog- 2 hours

Diagnosis and management of canine bacterial pyoderma - 2 hour

Diagnosis and management of otitis externa in the real world - 1 1/2 hours

North Carolina Academy of Small Animal Medicine- Greensboro, NC 9/1/2010

Diagnosis and management of the pruritic dog- 2 hours

Diagnosis and management of canine bacterial pyoderma - 2 hour

Diagnosis and management of otitis externa in the real world - 1 1/2 hours

What would you do- an interactive session where real cases are presented 1 hour

Southeast Veterinary Conference- Myrtle Beach NC- 6/17-6/20/2010

Diagnosis and management of the pruritic dog- 1 1/2 hour

Diagnosis and management of canine bacterial pyoderma - 1 1/2 hour

Diagnosis and management of the pruritic cat – 45 minutes

Diagnosis and treatment of Malassezia dermatitis- 45 minutes

Dermatologic tests for small animal practice 1 ½ hours

Diagnosis and management of otitis externa in the real world - 1 1/2 hours

Diagnosis and management of autoimmune skin diseases- 45 minutes

New drugs in veterinary dermatology- 45 minutes

Diagnosis and management of non pruritic alopecia in the dog - 1 1/2 hour

Diagnosis and management of otitis media – 45 minutes

Diagnosis and management of canine cutaneous vasculitis -45 minutes

What would you do- an interactive session where real cases are presented 2 hours

Miracle Strip Veterinary Medical Society - Fort Walton Beach, Florida 5/8-5/9/2010

Diagnosis and management of otitis externa in the real world - 90 minutes

Diagnosis and management of canine pyoderma – 90 minutes

Everyday dermatology tests in everyday practice – 90 minutes

What would you do- an interactive session where real cases are presented 90 minutes

Technician's role in veterinary dermatology- 3 hours
New Hampshire State Veterinary Medical Association annual meeting- Manchester, NH 4/7/2010
Practical approach to the pruritic dog – 90 minutes
Diagnosis and management of canine otitis externa –90 minutes
Diagnosis and management of canine pyoderma – 90 minutes
Everyday dermatology tests in everyday practice – 90 minutes
North American Veterinary Dermatology Forum- 4/17/2010
Diagnosis and management of cutaneous vasculitis – 50 minutes
Mississippi State Veterinary Medical Association Convention - 2/26-2/27/2010
Diagnosis and management of canine otitis externa –120 minutes
Diagnosis and management of canine otitis media – 60 minutes
Diagnosis and management of non pruritic alopecia in the dog - 1 1/2 hour
Diagnosis and management of autoimmune skin diseases- 60 minutes
New drugs in veterinary dermatology- 60 minutes
Practical approach to the pruritic dog – 60 minutes
What would you do- an interactive session where real cases are presented 60 minutes
Michigan State Veterinary Medical Association Convention – 1/26- 1/28/2010
Technician's role in dermatology 1 hour
Everyday dermatology tests in everyday practice – 2 hours
Dermatology wet lab for technicians- 3 hours
Nebraska State Veterinary Conference- 1/19/2010-1/22/2010
Diagnosis and management of autoimmune skin diseases- 45 minutes
Diagnosis and management of canine bacterial pyoderma - 1 1/2 hour
Diagnosis and management of non pruritic alopecia in the dog - 1 1/2 hour
Diagnosis and management of otitis externa in the real world - 1 1/2 hours
Diagnosis and management of the pruritic dog- 1 1/2 hour
Diagnosis and treatment of *Malassezia* dermatitis- 45 minutes
Dermatologic tests for small animal practice 1 1/2 hours
New drugs in veterinary dermatology- 45 minutes
Diagnosis and management of the pruritic cat – 45 minutes
Diagnosis and management of canine cutaneous vasculitis -45 minutes
2nd year Macomb County Veterinary Technician students - Technician's role in dermatology – November 25, 2009 - 3 hrs
Colonial Veterinary Conference – December 1st-3rd 2009
Practical approach to the pruritic dog – 60 minutes
What would you do? Cased discussions – 60 minutes
Diagnosis and management of canine pyoderma – 60 minutes
New drugs in veterinary dermatology – 60 minutes
Everyday dermatology tests in everyday practice – 120 minutes
Diagnosis and management of *Malassezia* dermatitis – 60 minutes
Diagnosis and management of canine otitis externa –120 minutes
Diagnosis and management of canine otitis media – 120 minutes
Illinois State Veterinary Medical Association Convention. November 15, 2009
Diagnosis and management of autoimmune skin Diseases – 60 minutes
New Drugs in Veterinary Dermatology- 60 minutes
Cutaneous Manifestations of Endocrine diseases- 60 minutes
What Would You Do? (Interactive cases)- 60 minutes
Diagnosis and management of canine otitis externa –90 minutes
Diagnosis and management of canine otitis media – 90 minutes
Ralph Lee's Great Smokies Veterinary Conference October 29th and 30th 2009 –
Practical approach to the pruritic dog – 60 minutes
What would you do? Cased discussions – 60 minutes
Diagnosis and management of canine pyoderma – 60 minutes
New drugs in veterinary dermatology – 60 minutes
Everyday dermatology tests in everyday practice – 120 minutes
Diagnosis and management of *Malassezia* dermatitis – 60 minutes

Diagnosis and management of canine otitis externa –120 minutes
 Diagnosis and management of canine otitis media – 120 minutes
 2nd year veterinary students- Dermatopharmacology- October 14, 16, 21 and 23, 2009- MSU 4 hrs
 CVC East- April 25 and 26, 2009
 Practical approach to the pruritic dog – 60 minutes
 Diagnosis and treatment of non-pruritic alopecia – 60 minutes
 Diagnosis and management of canine pyoderma – 60 minutes
 Diagnosis and management of canine otitis externa –120 minutes
 Diagnosis and management of canine otitis media – 60 minutes
 What would you if? Case discussions – 120 minutes
 Practical approach to the pruritic dog- San Diego, CA– March 3, 2009- 1 hr
 Practical approach to the pruritic dog- Los Angeles, CA – March 2, 2009- 1 hr
 Dermatology practice consultations –San Diego and Los Angeles CA- March 2-5, 2009
 2nd year Wayne County Veterinary Technician students - Technician’s role in dermatology – February 4, 2009- 3 hrs
 Practical approach to the pruritic dog- Grand Rapids MI – December 3, 2008- 1 hr

 Professional Veterinary Quest- Avignon, France- August 9th –15th 2008
 Diagnosis and treatment of cutaneous vasculitis – 50 minutes
 Practical approach to the pruritic dog – 50 minutes
 Diagnosis and management of canine pyoderma – 50 minutes
 Diagnosis and management of canine otitis externa – 2 hours
 Diagnosis and management of canine otitis media – 2 hours
 Interactive dermatology cases- 50 minutes
 New dermatology drugs – 50 minutes
 Diagnosis and management of non pruritic alopecia in the dog- 50 minutes
 Local Iowa veterinary medical association - Practical approach to the pruritic dog – 50 minutes – June 10, 2008
 Dermatology practice consultations –Iowa –June 10-12, 2008
 2nd year Macomb County Veterinary Technician students - Technician’s role in dermatology – May 17, 2008 - 3 hrs

Veterinary Leadership Council St Maarten, Netherlands Antilles- Practical approach to the pruritic dog – 50 minutes -April 6th 2008

North Carolina Academy of Small Animal Medicine – April 2nd 2008

- Diagnosis and treatment of cutaneous vasculitis – 50 minutes
- Practical approach to the pruritic dog – 50 minutes
- Diagnosis and management of canine pyoderma – 50 minutes
- Diagnosis and management of canine otitis externa – 50 minutes
- Diagnosis and management of canine otitis media – 50 minutes
- Avoiding canine otitis “exterma”- 50 minutes
- Diagnosis and management of non pruritic alopecia in the dog- 50 minutes

Western Veterinary Conference – February 19th and 20th, 2008- Las Vegas, NV

- Diagnosis and treatment of otitis externa – 50 minutes
- Diagnosis and treatment of vasculitis – 50 minutes
- New drugs in veterinary dermatology – 50 minutes
- Diagnosis and management of non-pruritic alopecia in the dog- 50 minutes
- Cutaneous manifestation of systemic disease -50 minutes

IV Congresso Hospital Veterinário Montenegro- January 12 and 13th 2008- Porto, Portugal

- Diagnosis and treatment of otitis externa – 50 minutes
- Practical approach to the pruritic dog – 50 minutes
- Scaling dermatitis- diagnosis and management- 50 minutes
- Diagnosis and management of canine pyoderma – 50 minutes
- Diagnosis and management of endocrine skin disease in the dog- 50 minutes
- Diagnosis and management of autoimmune skin disease – 50 minutes

2nd year veterinary students- Dermatopharmacology- November 9th, 12th, 16th 2007 MSU 3 hrs

2nd year Macomb County Veterinary Technician students - Technician’s role in dermatology – November 14, 2007 - 3 hrs

2nd year Wayne County Veterinary Technician students - Technician’s role in dermatology – November 8th 2006- 3 hrs

Dermatology practice consultations –Wisconsin –August 20-22, 2007

Madison, WI VMA Practical approach to the pruritic dog – August 20- 1 1/2 hrs

Eastern Ohio VMA Practical approach to the pruritic dog – May 17th, 2007- 1 1/2 hrs

Dermatology practice consultations –Indiana March 16-March 18, 2007

Otitis roundtable - Kansas City, MO –5/11/07-

Dermatology practice consultations –Michigan - March 12-March 14, 2007

Michigan State meeting – 1/26/07- 1/28/07

- Diagnosis and treatment of otitis externa – 50 minutes
- Diagnosis and management of otitis media- 50 minutes
- Otitis externa – 10 mistakes to avoid – 50 minutes
- Otology wet lab – 3 hours x 2

Indiana State meeting 1/20/2007

- Diagnosis and treatment of otitis externa – 50 minutes
- Practical approach to the pruritic dog – 50 minutes
- Diagnosis and management of canine pyoderma – 50 minutes
- Diagnosis and management of nonpruritic alopecia in the dog- 50 minutes
- New drugs/old diseases and old drugs/new diseases – 50 minutes
- Cutaneous manifestation of systemic disease -50 minutes
- Diagnosis and management of otitis media- 50 minutes
- Diagnosis and management of autoimmune skin disease – 50 minutes

Dermatology consults January 15, 2007 – Orlando FL

TNAVC- Orlando, FL- January 13-16th 2007

- Diagnosis and treatment of vasculitis – 50 minutes
- New drugs/old diseases and old drugs/new diseases – 50 minutes
- A practical approach to otitis externa- 50 minutes
- Practical approach to the pruritic dog – 50 minutes
- Shampoo therapy –15 minutes
- Diagnosis and management of Malassezia dermatitis- 15 minutes

Scaling dermatitis- diagnosis and management- 50 minutes
Colorado Springs, CO - Practical approach to the pruritic dog – December 13th, 14th 2006 1 1/2 hrs
Dermatology practice consultations –December 13th, 14th, 15th 2006 Colorado Springs, CO
San Diego CA - Practical approach to the pruritic dog – October 30th 2006- 1 1/2 hrs
